

Westport Marina Dredging Update

Updated September 29, 2020

Westport Marina Users,
Please review the following dredging update.

Float 12, 14, 16: *complete*

Float 10 Slips AA-MM: *Underway.*
Estimated Completion: 5-6 days

Float 8 Slips A-Q: On deck!
Estimated Start: Monday October 5

Feel free to contact the marina office with any questions. The dredge operator is operating on VHF Chanel 69.

We will continue to provide work plan updates and impacted areas via:
