

At the Marina

A Facility of the  Port of Grays Harbor

Washington's Premier Fishing Location

Spring 2018

Summer Plans Underway

Spring has arrived and summer preparations are underway. With spring around the corner we are busy preparing the marina for the summer season which is not only a busy time for our users, but a critical time for maintenance work on the docks. Here is how you can help to ensure a productive summer:

- Communicate with our staff regarding any maintenance needs, we are here to help you!
- Remove all prohibited items, such as permanent filleting tables, items attached to the floats, and items stored under dock steps.
- Check in with the marina office ahead of time if you are making any changes to your stay.

Reservations

We will begin taking summer daily and monthly reservations on April 17th at 9am. This year, we are pleased to announce that we are now accepting daily reservations online! Visit our website: portofgraysharbor.com to begin booking your stay.

Announcements

Terminal Maintenance Dredging

The government hopper dredge ESSAYONS will arrive around April 25th. Dredging will occur in shoaled areas of the Bar, Entrance, and Pt. Chehalis reaches. There are usually a significant number of crab pots in the South Beach Disposal Site (SBDS). Please help to get the word out to the fishermen and crabbers to move their pots and gear to avoid damage.

Department of Ecology Workshop

The Washington State Department of Ecology Spills Program is hosting a Working Waterfront workshop on April 24th from 9am-3pm at McCausland Hall. Lunch is provided.

This is a great opportunity to share your ideas on preventing spills and reducing accidents.

To RSVP, please contact:

Milestones

Ken Rausch, longtime Marina Operations Manager is retiring on June 30th, 2018. For the past 26 years, Ken has managed the Marina District diligently, his hard work and dedication have been invaluable to the staff and tenants at the marina. He plans to continue working alongside his wife, Susan, at their local shop, Quilt Harbor, for years to come. We will miss Ken, but wish him all the best in retirement. Please take a moment to wish him well when you see him on the docks.
