

At the Marina

A Facility of the  Port of Grays Harbor

Washington's Premier Fishing Location Spring 2019

2019: The Summer of Construction

With a list of projects ready to begin in the Marina District, the Spring and Summer of 2019 will be a transformational time for the Westport Marina and the thousands of users who utilize it each year. We look forward to new facilities, more efficient use of the boat basin, and the visual improvements these projects will bring to our customers in the coming months.

Your cooperation and communication is critical as we begin the Marina Dredging Project, Construction of the Boat Launch Parking Lot, paving of Yearout Drive, installation of new bathrooms and showers, and implement proximity card access for bathrooms, showers, and garbage services. The level of activity expected in the marina district will have an impact on every user. Please take a moment to sign up for our mobile text alert program- text Port_Grays to 662-200-4303, check in with marina office staff, and keep an eye out for email updates. We sincerely appreciate your business

April –June

Please Join Us:

Marina User Meeting

*March 27th, 10-11am McCausland Hall
2201 Westhaven Drive Westport, WA*

Please join us as we provide updates on upcoming construction projects, explain the new garbage and bathroom/shower proximity system, and hear from Paul Sorensen and Brian Winningham of BST Associates. We are working with Paul and Brian to update the Westport Marina District Demand Study found in the Marina Master Plan. We will provide an overview of the purpose and scope of the study and the role it will play in the future of the Westport Marina.

- CONSTRUCTION PLANS
- DEMAND STUDY UPDATE
- PROXIMITY SYSTEM
